

Convection oven Metos Memo ICEM 041 with 4 pair of guide rai

The Metos Memo ICEM 041 is a sturdy and durable convection oven. A clear operating panel and easy-to-select functions combined with easy cleaning of the oven surfaces make the oven easy to use and clean.

The Metos Memo ICEM 041 convection oven has 4 outlet pairs with outlet interval of 70 mm. The outlets can be used with GN1/1 sized baking pans.

The temperature of this convection oven can be adjusted from +50°C to +260°C. The three switches on the control panel make it easy and quick to control the oven. The automatic directional fan ensures a steady cooking result. Manual vapour extraction in the chamber.

The Metos Memo ICEM 023 convection oven is made of stainless steel. The seamless and smooth surfaces of the chamber with rounded corners, hinged inside, opening fan cover and removable tray rack make it easy to keep the device clean. An external wash shower is available as an accessory.

The double-glazed, left-handed door is equipped with heat-reflecting slotted glasses that, together with the air gap between the glasses, reduce heat radiation while retaining heat inside the unit, avoiding unnecessary energy loss.

- 4 outlet pairs, outlet interval 70 mm
- guides for GN1/1 containers
- convection air +50°C ... +260°

- electromechanical
 - LED lighting in the oven chamber
 - automatic reversing of the fan
